

Baker Hughes, a GE company Announces \$3 Billion Share Repurchase Authorization

November 6, 2017

HOUSTON & LONDON--(BUSINESS WIRE)--Nov. 6, 2017-- Baker Hughes, a GE company (NYSE: BHGE) ("BHGE" or the "Company") today announced that its Board of Directors has authorized Baker Hughes, a GE company, LLC ("BHGE LLC") to repurchase up to \$3 billion of its common units from BHGE and GE. The Company will use the proceeds from the sale of its BHGE LLC common units to repurchase its Class A shares. In addition, the Company also announced its intention for BHGE LLC to issue new debt.

"Today's announcement represents an important step in our plan to optimize BHGE's capital structure. We believe the buyback is an attractive use of cash given the value of our franchise and the highly accretive nature of this program," said Lorenzo Simonelli, BHGE Chairman and Chief Executive Officer.

"At the current share price, this repurchase represents approximately eight percent of the Company's outstanding shares. We are pleased that BHGE's strong balance sheet enables us to not only return value to shareholders through our regular quarterly dividend and share repurchases, but also invest in opportunities that will strengthen our fullstream portfolio and drive long-term growth."

BHGE and BHGE LLC have also entered into an agreement with GE whereby BHGE LLC will repurchase its common units from GE on a pro rata basis and on the same terms as it repurchases common units from BHGE. The proceeds distributed to BHGE will be used to repurchase Class A shares on the open market or in privately negotiated transactions. The repurchases will not materially change BHGE and GE's relative economic interests in BHGE LLC or BHGE's Class A and Class B stockholders' relative voting interest.

BHGE may from time to time enter into one or more 10b5-1 plans to effect the repurchase of its Class A shares. The repurchase program may be suspended or discontinued at any time and does not have a specified expiration date.

- The Company and BHGE LLC have no commitments from any third party with respect to the issuance of any debt. BHGE LLC's ability to issue debt will be dependent on numerous conditions such as debt issuance costs, interest rate fluctuations and changes in our future cash requirements, capital requirements, results of operations, financial condition and/or cash flows.
- If BHGE LLC is not able to obtain debt on acceptable terms, it may not be able to carry out the buybacks under the stock buyback authorization.
- Share repurchases may be suspended or discontinued by the Company at any time.
